DIANE MIZRAHI
PRIMARY EXAMINER

This is in response to Applicant's Amendment After Final of January 9, 2007, Examiner hereby withdraws the Final Office action dated 11-27-06. All previous presented rejections of the claims are hereby withdrawn as to being moot. See new office action below:

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 8-23 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding Claims 8-11 and 18-21, Examiner is unclear as to what Applicant intended by the claimed limitation, "can be recreated". Is the storage device recreated or not recreated? Further clarification and explanation is required.

Regarding Claims 8-13, 16, 18, 20-21 and 23, Examiner is unclear as to what Applicant intended by the claimed limitation, "specific disk drive". What is a "specific disk drive" and what would constitute a non-specific disk drive? Further clarification and explanation is required.

Regarding Claims 10 and 20, Examiner recommends Applicant to explain what is the input/output? Does Applicant intend for input/output to mean input and output, or input or output? And, what is the input/output? Examiner cannot determine what Applicant means by the claimed, "input/output". Further clarification and explanation is required.

Regarding Claims 15-16 and 22-23, What does Applicant mean by the claimed, "taking over application". What does "taking over" mean? Does Applicant mean switching? Further clarification and explanation is required.

Regarding Claim 17, Claim 17 recites the limitation "the functions" in (line 5). There is insufficient antecedent basis for this limitation in the claim.
